Desert Radiology has called Las Vegas home for half a century and our team is dedicated to helping the community around us thrive.

THANKSGIVING FOOD DRIVE WITH THE CITY IMPACT CENTER

We have been longstanding community partners to the City Impact Center, a nonprofit organization that provides desperately needed services to low-income individuals, and holidays are no different. Our team collected donations so that local children, individuals and families could have a special meal during the Thanksgiving

holiday. We are always thankful to have the opportunity to help those in need during this time of the year.

Due to our commitment to giving back to this organization, our Chief Financial Officer, Greg Nainani recently received a Heart Award at City Impact Center's Make an Impact Gala. Congrats, Greg!

Stay tuned for our upcoming projects in 2019 with City Impact Center!
